FOR IMMEDIATE RELEASE

April 17, 2020

Hazleton- Pennsylvania State Police Troop N Camp Cadet 2020

Due to current COVID – 19 Pandemic that has forced school closures, social distancing, and the suspension of all large gatherings within the Commonwealth. The Pennsylvania State Police has decided that all summer programs, to include the Camp Cadet and Sunny Day Camp Programs, will be cancelled for 2020.

We are saddened by the decision to cancel such programs but know the decision is necessary to protect each other from further outbreaks that endanger our communities.

As a result of this cancellation, I am certain that the 2021 Troop N Camp Cadet selection process will be impacted. We ask for your patience as we develop a process that honors the 2020 applicants as well as those that will be applying in 2021.

We thank you very much for your continued support of these programs and wish you safety and good health during these difficult times.

Applications and registration for the 2021 Troop N Camp Cadet and Sunny Day Camp Programs will begin in early January 2021.

All information regarding the Troop N Camp Cadet and Sunny Day Programs can be found at www.troopncampcadet.com as well as our Facebook and Troop N Twitter pages.
